THE WORLD IS CHANGING. EDUCATION NEEDS TO CHANGE WITH IT.

Learning happens everywhere, all the time

Modern technology has had a dramatic impact
on how young people learn and pursue their interests

We need a new model for learning
that fits the realities of the digital age

REMAKELEARNING.ORG

WHAT DOES THIS MEAN FOR COMMUNITIES?

Learning doesn't stop when the school day ends

Out-of-school learning can help students discover their passion, pursue their interests, and develop their skills

Community organizations, youth clubs, and afterschool programs can lead the way

WHAT DOES THIS MEAN FOR <<INSERT YOUR COMMUNITY>>?

<<Describe specific challenges and opportunities facing
your community>>

WHAT IS BEING DONE?

No one institution can overcome these challenges alone

Across the country, educators and innovators are developing new & innovative approaches to learning
Reimagining where and how learning happens

REMAKELEARNING.ORG

ASSEMBLE

Infusing a neighborhood
with science and creativity

Part art gallery, part makerspace,
part afterschool center

Learning parties connect
students with local experts

Free and fun activities combine
STEM learning with arts & crafts

remake
learning

REMAKELEARNING.ORG

THE DIGITAL CORPS

Building digital skills
with mobile mentors

Training community members to
become roving digital literacy coaches

Free workshops for tweens & teens to
learn to code, program mobile apps,
and build robots

Provides cash-strapped afterschool
programs with modern programming
to meet kids' needs

remake
learning

REMAKELEARNING.ORG

MAKER PARTIES

Throwing a party where
guests come to learn

Free pop-up events turn
community events into
learning opportunities

Part science fair,
part arts festival

Expose kids and families
to new ways of learning

remake
learning

HOW DOES SO MUCH INNOVATION EMERGE IN ONE CITY?

It takes a network of people
working together across sectors

Making learning the whole community's responsibility

Creating an environment that nurtures professional
collaboration and creativity

THE **remake** **learning** NETWORK

Professional support
network connecting
educators & innovators
in Pittsburgh, PA

Founded in 2007
to build a model for
21st century learning
in the entire region

Supporting new and
innovative learning
experiences in schools
and in the community

THE REMAKE LEARNING NETWORK

WHAT REMAKE LEARNING MEANS IN PITTSBURGH

Teachers & technologists working side-by-side

Learning scientists partnering with museums, libraries, and afterschool sites to enhance outcomes

Ed-tech startups co-design new products with students and teachers

More children have access to 21st century learning

REMAKELEARNING.ORG

WHAT CAN WE LEARN FROM REMAKE LEARNING?

How can our community come together
to remake learning?

How do we organize ourselves?

What do we need to get started?

REMAKELEARNING.ORG

THE REMAKE LEARNING PLAYBOOK

A model for structuring the network

Strategies & tactics for
implementing learning innovation

Case studies of the network in action

STRATEGIES & STARTER IDEAS

Practical tips, tools, and tactics, including 31 plays to help us:

Convene our own network

Catalyze innovative projects in our community

Communicate with network members

Champion the network's accomplishments

Coordinate network members for idea-sharing and growing our reach

OUR GAME PLAN: CONVENE

We can get started by convening our community

- <<Insert convene output from Gameplan web App>>
- <<Insert convene output from Gameplan web App>>

OUR GAME PLAN: CATALYZE

We can get started by catalyzing local innovation

- <<Insert catalyze output from Gameplan web App>>
- <<Insert catalyze output from Gameplan web App>>

OUR GAME PLAN: COMMUNICATE

We can get started by communicating as a network

- <<Insert communicate output from Gameplan web App>>
- <<Insert communicate output from Gameplan web App>>

OUR GAME PLAN: CHAMPION

We can get started by championing learning innovation in our community

- <<Insert champion output from Gameplan web App>>
- <<Insert champion output from Gameplan web App>>

OUR GAME PLAN: COORDIANTE

We can get started by coordinating a network strategy

- <<Insert coordinate output from Gameplan web App>>
- <<Insert coordinate output from Gameplan web App>>

LET'S REMAKE LEARNING!
